## 2019's PANTOMIME IS CANCELLED

Sadly due to circumstances beyond our control the planned pantomime for Christmas this year has had to be cancelled. We are hoping very much that we can stage it next year instead! Apologies to all of you who were looking forward to appearing in or coming to see it.

## Calling all budding Directors and Producers.

We are desperately short of members who are willing to try their hand at directing or producing a future production whether it be a one-act or full length play, a pantomime or musical event. Having to rely on the same members every time is limiting our ability to stage as many events and productions throughout the year as we would like.

Although the committee and other regular contributors are always willing to help we cannot expect them to give up the amount of time it takes to stage a production every time. They too have work and family commitments.

So please, if you think you would like to have a go or even if you are willing to assist one of the more experienced members in the future do let us know.

We are sure you will agree it would be a great shame for Egerton if the Players were to stop staging regular productions due to lack of support in this area.
